The **Legacy Tribute** difference

Our Customer First

Legacy Tribute provides high quality North American made caskets, designed exclusively for the unique and changing preferences of families in the UK.

New designs have been added to many of the traditional and classic designs to provide our customers and the families they serve with a truly unique product.

Many of our wood caskets are suitable for cremation as well as burial, and we provide unique designs for families from different cultural traditions.

An Experienced and Dedicated Team

Our experienced team understands the unique requirements of a family choosing an American style casket.

We appreciate that this decision may not be an easy one, and our promise is that our dedicated casket specialist team will work together with our Funeral Director customer to ensure that every casket is handled and delivered with care and respect and the complete attention that you expect.

We invite you to review what we believe is the best value range of American caskets available in the UK, presenting real choice for our customers.

Style and design delivered with care and compassion. The Legacy Tribute difference.
